Shower drains in metallic shades

Perfect match

It is possible that we can match your personal taste with charming pink tones. Or you might prefer a dazzling gold colour? Maybe your natural match is the gun metal. No matter what you choose, you can always rely on certain facts. The perfect colour fastness and the resistance to abrasion. And this is how your bathroom can be brought to perfection down to the last detail.

Individual in every detail

Unique PVD technology

The luxurious high quality surface finish on PVD products is created by the application of a very thin layer of a special coating that merges with the base material.

Made of the highest quality materials

The result is increased durability and longevity of the product, as well as an elegant look. Brushed option with a more pronounced texture. Now available in four colours.
