Bath wastes and traps

A501
Bath trap, length 57 cm, rubber plug, plastic, chrome-polished

A55K
Bath pop-up waste and trap, length 57 cm, metal, chrome-polished

A504CKM
Bath CLICK/CLACK waste and trap, length 57 cm, metal, chrome-polished

A564CRM1
Bath pop-up waste and trap with overflow filling, length 57 cm, plastic, chrome-polished

Complete assortment

Lengths 57–120 cm

Wide range of colours and designs

Shower wastes and traps

A48
Shower waste and trap, waste outlet 90 mm, DN 40, grid Ø 115 mm, metal, stainless steel-polished

A49K
Shower waste and trap, waste outlet 90 mm, DN 40, metal, chrome-polished

A465C-50
Shower waste and trap CLICK/CLACK, waste outlet 50 mm, DN 40, metal, chrome-polished

A491CR
Shower waste and trap, reduced height, waste outlet 90 mm, DN 50, plastic, chrome-polished

Complete assortment

For trays with outlet diameters of 50, 60 and 90 mm

Wash-basin wastes and traps

A41P
Washbasin trap DN 40 with Ø 17–23 mm connector and stainless steel grid Ø 62 mm, rubber plug

A43S-DN32
Washbasin furniture trap DN 32 with G 5/4" union nut

A434
Washbasin trap DN 40 space-saving with G 5/4" union nut

A80-DN32
Tubular washbasin trap DN 32 with G 5/4" union nut

Complete assortment

Metal program

A392C
Washbasin waste CLICK/CLACK G 5/4" with overflow, large plug, metal, chrome-polished

ARV001
Angle valve with filter 1/2" × 3/8", round, chrome-polished

A400
Washbasin trap DN 32 DESIGN, round, metal, chrome-polished

A432
Tubular washbasin trap DN 32 with G 5/4" union nut, metal, chrome-polished

Complete assortment

Wide range of colours

Sink wastes and traps

A447P-DN50/40
Sink waste and trap DN 40/50 with \varnothing 17–23 mm connector, stainless steel grid \varnothing 115 mm and flexible overflow

A870P-DN40
Sink waste and trap DN 40 space-saving with \varnothing 17–23 mm connector and stainless steel grid \varnothing 70 mm, rubber plug

A83-DN50/40
Tubular sink waste and trap DN 50/40 with \varnothing 17–23 mm connector, G 3/4" union nut and flexible hose

A8000
Double-sink waste and trap DN 40/50 universal, with two \varnothing 17–23 mm connectors, stainless steel grids \varnothing 70 mm and \varnothing 115 mm, rubber plug

Complete assortment

Urinal and bidet traps

A45A
Urinal trap DN 40 with \varnothing 55 mm gasket, plastic

A45B
Urinal trap DN 40 horizontal with rubber reducing insert \varnothing 50 mm, plastic

A45F-DN40
Washbasin and bidet trap DN 40 with G 3/4" union nut, plastic

A438
Metal elbow for concealed trap DN 32 with G 3/4" union nut

Complete assortment

Traps for household appliances

APS2
External trap for washing machine or dishwasher, DN 32, white

APS3
Concealed trap for washing machine or dishwasher, DN 40/50, stainless steel

APS6
Concealed trap for washing machine and dryer, DN 50/40, stainless steel

APS7-DN50
Tubular trap for washing machine or dishwasher with \varnothing 17–23 mm connector, DN 50

Complete assortment

AKS4
Concealed trap for dripping condensate DN 40/50, stainless steel

AKS5
Funnel trap DN 32 for dripping condensate, with ball-type dry trap seal and hose holder

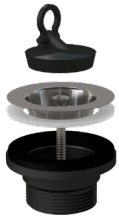

AKS8-DN50
Tubular funnel trap for dripping condensate DN 50

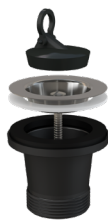

P156Z-G1
Double connector G 1" \times \varnothing 8–23 mm for connecting washing machine and dryer to trap, with non-return valves

Products from recycled material

A33-ECO
Sink waste G 6/4" with stainless steel grid Ø 70 mm, rubber plug

A34-ECO
Sink waste G 6/4" raised, with stainless steel grid Ø 70 mm, rubber plug

A434-ECO
Washbasin waste and trap DN 40 space-saving with G 5/4" union nut

A44M-DN40-ECO
Connector for trap DN 40 with G 6/4" union nut and two Ø 17-23 mm connectors, length 265 mm, plastic

Complete assortment

Ecology

A44MN-DN40-ECO
Connector for trap DN 40 with G 6/4" union nut, length 265 mm, plastic

A80-DN40-ECO
Tubular sink waste and trap DN 40 with G 6/4" union nut

A81-DN40-ECO
Tubular sink waste and trap DN 40 with Ø 17-23 mm connector and G 6/4" union nut

A81-DN50-ECO
Tubular sink waste and trap DN 50 with Ø 17-23 mm connector and G 6/4" union nut

A872P-ECO
Sink waste and trap DN 40 space-saving with Ø 17-23 mm connector and G 6/4" union nut

A84-DN50/40-ECO
Tubular sink waste and trap DN 50/40 with two Ø 17-23 mm connectors, G 6/4" union nut and flexible hose
